

PERSONALIZED PAVERS AT PLAYSTATION

In collaboration with the City of Fort Lauderdale, the Junior League of Greater Fort Lauderdale built a signature train-themed playground facility within the refurbished Holiday Park Complex in 2001. The playground is ADA compliant with wheelchair access and special swings for young children with special needs. The hallmark of the Junior League Play Station is a refurbished locomotive engine. The park provides a fun and constructive environment for children of a variety of ages and abilities. Hundreds of youngsters enjoy the Junior League Play Station every week.

Attached to the play area is a walkway with commemorative red brick pavers. Bricks are available for purchase and may be dedicated as requested as a timeless gift commemorating a special occasion or just to make a personal mark in the park that will last a lifetime. Please fill out the form below and remit to the office of The Junior League of Greater Fort Lauderdale at 704 Southeast 1st Street, Fort Lauderdale, Florida 33301 – attention: Playstation, with your check payment enclosed. If you are paying by credit card, please include your account number and expiration date on the line provided below.
